

SubReview

✓
You have to pay subrogation claims.
DON'T ^ OVER

Desk review and settlement of subrogation applications prior to reimbursing the applicant.

Why pay what isn't owed?

Estimates and appraisals reviewed line for line by licensed physical damage appraisers. We consider towing, storage, rental, parts availability, and customary industry standards.

*Visual inspection does not guaranty accuracy,
and paying a second time for what shouldn't
have been paid once is unnecessary.*

We Fix

- Math errors
- Miscellaneous lump sum payments
- Wrong parts prices.
- Unsupported system overrides
- Duplicated operations
- And more!
